

## Outreach for Justice Committee Lenten reflections 2009

The Outreach for Justice Committee Lenten Reflections booklet is being prepared. We are asking for submissions of: Poems, Quotations, Readings or just 'words to live by' that demonstrate God's presence in the world. We will assemble these into a small booklet to be distributed at Lent. If there is something you have read or heard and treasure, please help us share it with our community. Include with your submission a brief explanation of the ways in which you were moved by the piece. Please give them to an OJT member or drop them off at the church office.

Thank you.
