

Motion from St. Mark's Vestry

February 11, 2007

Be it resolved that the parish this vestry of St. Mark's by-the-Lake moves forward now in faith to find ways to continue our growth. We therefore are establishing "The Raising the Roof Team" under the direction of the Wardens, the ultimate goal being to extend our church facility as soon as is possible. This team will be tasked with the following;

- a. lobbying The Diocese of Huron for a \$400 000 Grant
- b. Developing and implementing a strategy for parishioner donations and Capital Fundraisers.
